

WILLOW DOG MUSHERS ASSOCIATION

November Minutes

November 25, 2015

Meeting called to order at 7:00pm by President Robert Sexton at the Willow Community Center. A quorum was present.

Board members present were Peter Duncan, Justin High, JP Norris, Kari Skogen, Justin High, Sue Morgan and Jamie West

The purpose of the November meeting was to determine the winner of the first prize which was the Arctis Dryland Cart, donated by Karen Ramstead and the manufacture Henning Bartel. Second prize was a mounted and framed pastel donated by Dave Totten of one of our fire victims, Bob Chlupach, harnessing his dogs. The fundraiser's purpose was to raise money for the Sockeye Fire Disaster Community, including its mushers.

The raffle drum was provided by the Willow Community Center and Reudi Bolt drew the winning tickets. The winner of the cart is S. Leigh Hunteman, Maryland, USA. The winner of the original pastel is Justin High of Willow.

Officer Reports postponed until the next meeting.

Limited Business discussed

- 1) Because the Anchorage Food Bank donation was not planned for or put in the budget, we will not be sending a donation to them at this time. Short discussion that if the Food Bank donates freeze burned fish to WDMA they expect it to be picked up for the organization.
- 2) Justin High volunteered to be WDMA's agent to the State. Jamie will present paperwork at the next meeting.
